Instructions:

1. Glue Bermuda Bay Cardstock to folded card base.
2. Stamp all of the images on Whisper White Cardstock using Early Espresso Ink. Hand-cut all of the images and color them using all of the ink pads listed using a Blender Pen.
3. Using the Designer Paper triangle, trace with a pencil as shown here:

4. Sponge on the outside of the pencil lines to create shading as shown here:

5. Glue the Designer Paper layer in place and glue half of one doily even at the top with the Designer Paper.
6. Glue the grater image to the left, the bowl to the right and glue the dozen eggs in place using Stampin' Dimensionals overlapping the grater and bowl. Glue and tuck the spatula in front of the bow.
7. Stamp the sentiment using Early Espresso Ink in the center area.
