

Bridge Fold Card (METRIC)

Folds flat 10.5cm x 15cm to fit in C6 envelope

Supplies:

- Card Base: 21cm x 10.5cm scored as above
- Strip for images: 3cm x 11cm scored 1cm from each end on the long side. (Use 1 or 2 strips depending on design of card)
- 'Bridge' piece for across front: 15cm x 3.5cm
- Layers:
 - 18.5cm x 10cm for front background
 - 8.5cm x 10cm for back of card

Instructions:

1. Take the larger layer, stamp background as desired, cut 2 x 2.5cm pieces from each end. Attach the 5 pieces to the card base taking care to add them in the order of the design.
2. Stamp / decorate the smaller layer and attach to the centre back of the card base.
3. Burnish all score lines well.
4. Attach the strip / strips to the card base. These are the cross pieces used to attach the embellishments.
5. Add embellishments to the strip / strips either directly or on small strips of acetate
6. On the 'bridge' piece, cut a curve from 2cm up to 3.5cm. Emboss if desired. Attach to card base.
7. Add embellishments to 'bridge' piece.
