6. Remove the adhesive sheet and attach the 3 Happy Birthday pieces together layering the DSP on the top.
7. Adhere large kangaroo to the lower left hand corner of the card front.
8. Adhere the Happy Birthday to the card front so it looks like the kangaroo is holding it.
9. Adhere the birds randomly on the Happy Birthday.
10. Inside: Attach thin strip of DSP about  $\frac{1}{4}$ " (0.5cm) from the bottom of the inside. Adhere the small kangaroo punched piece to the right hand corner of the DSP.
11. Use Blender Pen and Crumb Cake ink to create shadows under both the kangaroos.
