Thanks to France Martin (<https://frenchiestamps.com/>) for the inspiration and original measurements.

## CARDSTOCK:

### Cutting Instructions:

1. Start with a sheet of A4 cardstock (29.7cm x 10.5cm which is 11-11/16" x 8 3/4").
2. As each piece is cut, mark it with a pencil.
3. With the long edge at the top of the trimmer, cut a piece 4 1/4" wide. Put aside for now. THIS IS FOR THE CARD BASE.
4. Keep the remaining cardstock in the trimmer and cut a piece 3 1/4" wide. Put aside for now. THIS IS FOR PANELS 2, 3, AND 4.
5. Turn the remaining cardstock and cut a piece 3 3/4" wide. THIS IS FOR PANEL 1. Discard the rest of the cardstock.
6. Take the card base and trim 1/4" off the long side so that it measures 4 1/4" x 8".
7. Take the Panels 2-4 piece:
  - Cut a piece 3 1/4" off the long side. This will give a 3 1/4" square for PANEL 2.
  - Cut a piece 2 3/4" off the long side. Turn and cut down to a 2 3/4" square for PANEL 3.
  - Take the remaining piece and cut down on long side to a 2 1/4" square for PANEL 4.
8. Take the Panel 1 piece and cut down to a 3 3/4" square.

### Scoring Instructions:

- CARD BASE: score on the long side at 1 1/4" and 2 1/2".
- PANEL 1: score at 1", 2 1/4" and 3 3/4".
- PANEL 2: score at 3/4", 2" and 2 3/4".
- PANEL 3: score at 1/2", 1 1/4" and 2 1/4".
- PANEL 4: score at 1/4", 1 1/2" and 1 3/4".

### Designer Series Paper:

- Cut a piece of DSP 5-5/8" wide x 4-1/8" long.
- Cut into 5 strips each 1-1/8" wide x 4-1/8" long. Use a pencil on the back to note the order for the pattern.
- STRIP 1: leave as is.
- STRIP 2: cut 1/4" off both the top and bottom.
- STRIP 3: cut 1/2" off both the top and bottom.
- STRIP 4: cut 3/4" off both the top and bottom.
- STRIP 5: cut 1" off both the top and bottom.
- OPTIONAL: Cut two more strips of DSP 6" long by 3/4" wide. These are for the back of the card and the envelope.

### Neutral Card Stock:

- Cut a piece 5 1/4" wide x 4" long for the back of the card.
