

Corner Open Fancy Fold Card

Inspiration thanks to [Susan Campfield](#).

I have created my card with my own measurements.

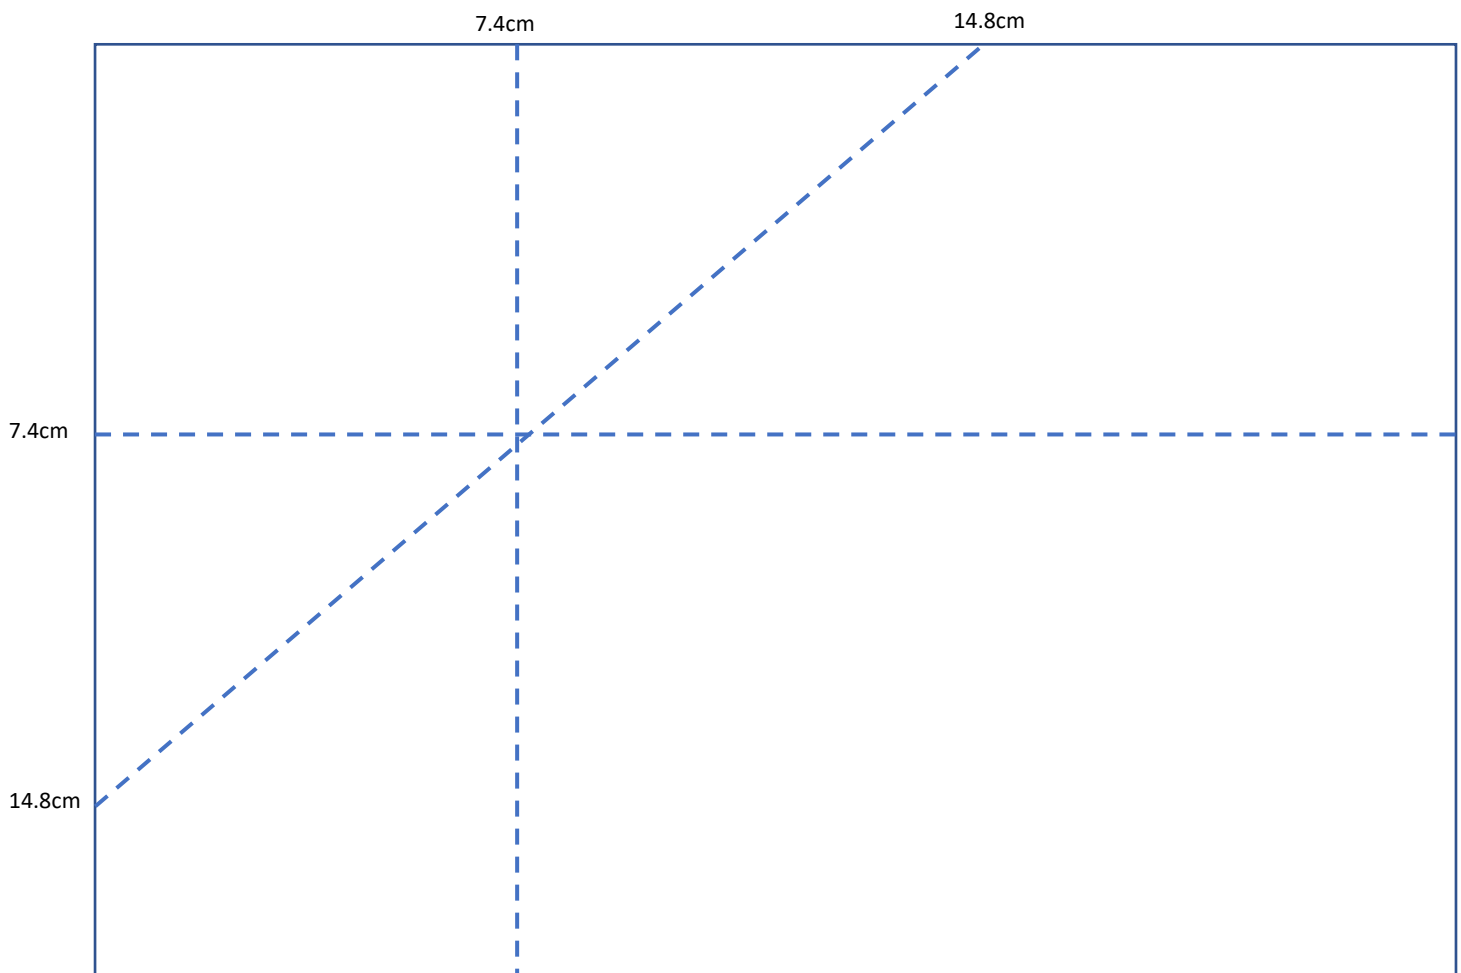

Card Base: 22.2cm x 17.9cm

- score at 7.4cm on the long side
- score at 7.4cm on the short side
- make a mark at 14.8cm on both the long and short sides and score between them (see diagram)

Layers:

- Front:
 - 2 each 6.9cm x 6.9cm
 - 6.9cm x 2.6cm
- Inside: 6.9cm x 6.9cm, 14.3cm x 10cm

Close the card and stamp the sentiment on lower right hand side of the large inside panel. (This is the part that you can see when the card is closed.)
